

Starting Date: _____

Chaplet of Our Lady of the Lilies for a Son or Daughter

To start the chaplet, pray on the first rosary bead:

O Merciful God, I lay before you all of my trials, heartaches and needs, my prayer requests, and my desire to be holy as you, O Lord, are holy. Grant that the wounds of _____'s soul are healed by the stripes of my Savior, Jesus Christ. Nothing is impossible for you, O God. Hear my prayer.

Next 3 beads: Hail Mary ...

Next 1 bead: Our Father

For each decade:

Offer 5 lilies to the Blessed Mother:

1. The first lily that I give to the Blessed Mother is the virtue of **purity**. Pray for _____, O Holy Mother of God, that he (she) may grow in purity of mind, body, and soul.

After each lily:

My soul proclaims the greatness of the Lord, the Mighty One, the Merciful One.
My spirit rejoices in God my Savior. (10 times)

After each decade: Hail Mary

2. The second lily that I give to the Blessed Mother is the virtue of **trust**. Pray for _____, O Holy Mother of God, that he (she) may trust more fully in the Father's will.
3. The third lily that I give to the Blessed Mother is the virtue of **patience**. Pray for _____, O Holy Mother of God, that he (she) may be patient in the unfolding of God's holy plan.
4. The fourth lily that I give to the Blessed Mother is the virtue of **wisdom**. Pray for _____, O Holy Mother of God, that he (she) may grow in wisdom to know the difference between good and evil and to live a holy life.
5. The fifth lily that I give to the Blessed Mother is the virtue of **love**. Pray for _____, O Holy Mother of God, that he (she) may love God with all his (her) heart and soul and mind and that he (she) will love everyone with compassion and mercy.

Concluding prayers:

May the divine love of your Most Holy Son, my Lord Jesus Christ, deliver _____ from all evil and guide him (her) into everlasting life.

Father God, surround _____ with your holy angels, in such abundance that demons cannot see him (her), or hear him (her), or strategize correctly against him (her). Bless all of his (her) relationships, activities, dreams, and plans, increasing the pleasure of all that's of You, and increasing discomfort and pain in all that is not of You.

Glory be Amen!
